Beyond Notes

Not just a note taker?

Day Planner,
Calendar,
Contact list,
Image Uploader,
Good Quote giver,
Event list maker,
And Note taker.

*cloudinary-react

*materialize-css

*moment

*moment-timezone

*node-sass

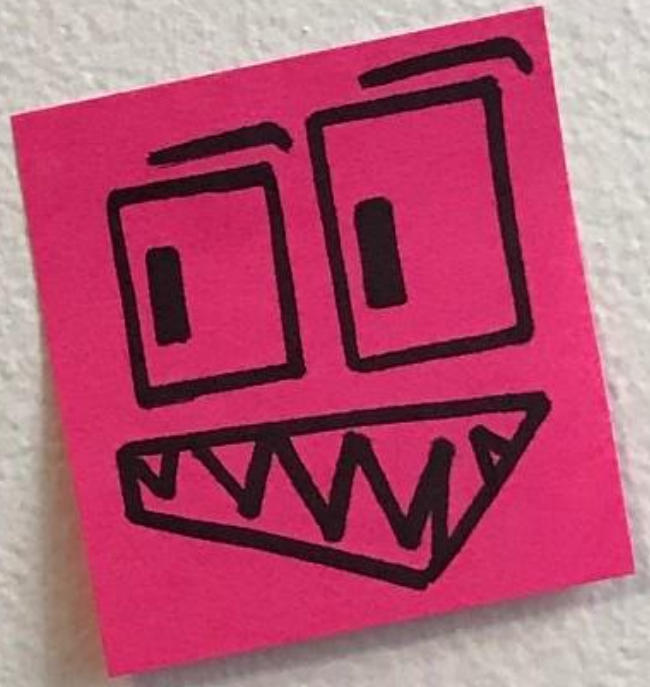
*react-big-calendar

*react-images-upload

*react-tackle-box

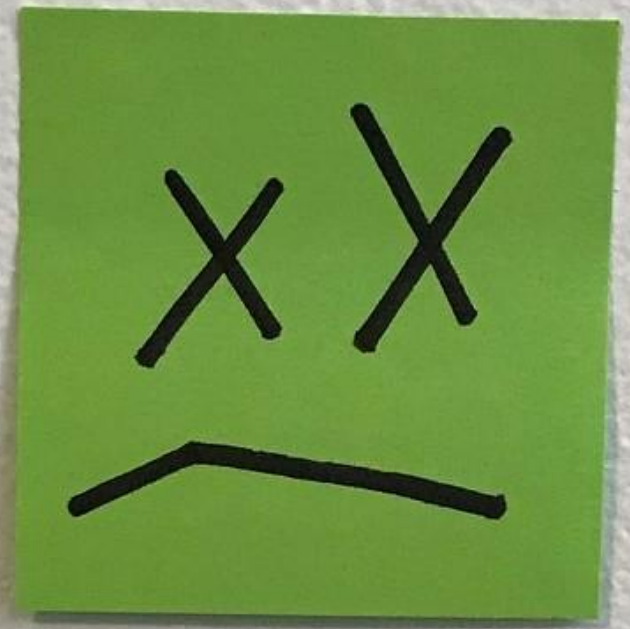
Demo Time!

beyondnotes.herokuapp.com/



Future Development

- Improve navbar function.
- Adding a friend chat feature.
- Social media sharing.
- Add notification for saving edited notes
- Implement Modal for pop-up effect when editing notes.
- More event functionality for calendar.
- Email feature for contacts.



The End?
